

## ***Accelerating Building Efficiency and Modern District Energy in the City of Belgrade: Launch Event and Program Development Workshop***

31 October 2016

City of Belgrade - City Hall (main entrance), Dragoslava Jovanovica 2  
Ceremonial Hall

8:30 – 9:00 **Registration**

### **LAUNCH EVENT**

9:00 – 9:15 **Welcome**

- *Dr. Sinisa Mali, Mayor of the City of Belgrade*
- *Dr. Stana Bozovic, State Secretary for Environment, Ministry of Agriculture and Environmental Protection*
- *Ms Aleksandra Siljic Tomic, UN Environment*

9:15 – 10:30 **The Opportunities of Building Efficiency and Modern District Energy**

- *Perspectives on Energy Efficiency in Serbia – Ms Antonela Solujic, Head of Department for Energy Efficiency, Ministry of Mining and Energy*
- *Belgrade as a champion city of the SE4All Accelerators – Mr Goran Trivan, City Secretary for Environment; Mr Marko Stojanovic, City Secretary for Energy*
- *The SE4ALL Initiative – Dr. Ksenia Petrichenko, UNEP DTU*
- *Building Efficiency Accelerator – Mr Eric Mackres, World Resources Institute*
- *The District Energy in Cities Initiative – Mr Benjamin Hickman, UN Environment*
- *Combined approaches to building efficiency and district energy in Belgrade – Dr. Miodrag Grujic, Secretariat for Environment*
- *Vilnius, Lithuania: combined technical and policy approaches to building efficiency and district energy – Dr. Romanas Savickas, Vilniaus Energija*

10:30 – 11:00 **Coffee break**

11:00 – 12:15 **Building Efficiency and Modern District Energy**

#### **BUILDING EFFICIENCY TRACK**

- *Belgrade's policy approach and Case Study from Serbia – Prof. Dr. Dusan Ignjatovic, Faculty of Architecture, University of Belgrade*
- *Private sector case study from Belgrade – Ms Natalija Popovic, Director for Strategy and Sustainable Development, Hemofarm AD*

- International best practice/case study – *Mr Maarten de Groote, Buildings Performance Institute Europe*

**MODERN DISTRICT ENERGY TRACK**

- Belgrade’s policy approach; Opportunities and Challenges Related to District Heating and Cooling in Belgrade – *Mr Petar Vasiljevic, Belgrade District Heating Utility*
- International best practice/case study – *Dr. Oddgeir Gudmundsson, Danfoss*
- International best practice/case study – *Mr Christian Engel, Thermaflex*

12:15 – 13:15    **Networking Lunch (Buildings and Modern District Energy)**

**PROGRAM DEVELOPMENT WORKSHOP**

13:15 – 14:15    **Parallel Sessions**

<p><b>BUILDING EFFICIENCY TRACK- STAKEHOLDER COORDINATION, Moderators: Eric Mackres and Michelle Bosquet</b></p> <p>Facilitated stakeholder discussion supported by expert input of <i>Prof. Dr. Maja Todorovic, Faculty of Mechanical Engineering, University of Belgrade</i></p> <ol style="list-style-type: none"> <li>1. How important is/are the action(s)? (how large will the impacts be?)</li> <li>2. How difficult is the implementation of this action? (how likely are we to be successful?)</li> <li>3. Which of these actions are most aligned with the broader energy strategies for Belgrade, for example District Energy?</li> <li>4. What are barriers to implementing these actions? How can they be overcome?</li> </ol>	<p><b>MODERN DISTRICT ENERGY TRACK- STAKEHOLDER COORDINATION, Moderators: Benjamin Hickman and Bojan Bogdanovic</b></p> <p>Stakeholder Discussions</p> <ol style="list-style-type: none"> <li>1. How Belgrade currently engages and coordinates stakeholders in project/policy development</li> <li>2. Development of 6-12 month work plan for DES Initiative support in Belgrade</li> <li>3. How to coordinate stakeholders to provide data, input and review for the Initiatives’ activities</li> </ol>
---	---

14:15 – 14:45    **Report from Parallel Sessions**

Session leaders will share priorities for Buildings Efficiency and District Energy identified by stakeholders

14:45 – 15:45    **Development of the Building Efficiency Accelerator and DES Initiative Action Plan and Project Roadmap – Facilitator: Michelle Bosquest, Eric Mackres and Benjamin Hickman**

- Activities of Building Efficiency Accelerator partners
- Activities of DES Initiative partners
- Discussion: *Where do we go from here?*
- Questions:
  - o *Which actions and milestones are needed to achieve Belgrade’s desires to XX?*
  - o *To which activities can each organization contribute?*

- o *Which other partners are necessary to achieve our goals?*
- o *Common Objectives and Joint Activities of BEA and DES*

15:45 – 16:00 **Summary and Conclusion**

- *What we heard today*
- *Closing thoughts*
- *Roles and next steps*
- *Conclusion*
